

Endures

The new and versatile Commercial Walk-Behind mower is perfect for small cutting jobs where transport speed and easy on-off trailer tasks really count. Also a high performer for large jobs where a smaller and more manoeuvrable machine is needed.

Model	7H17
Manufacturer	John Deere
Engine	Kawasaki
Model No.	FH541V
Power	12.7 kW /17 hp)
Displacement	585 cm ³
Cylinders	Two
Crankcase Capacity	1.8 ltr
Operating Speed	3300 rpm
Idle Speed	1550 rpm
Starter	Recoil
Valving	Overhead valve
Oil Filter	Standard
Lubrication	Full Pressure
Governor	Flyweight all speed governor
Cooling System	Air
Air Cleaner	Dual stage
Muffler	Canister style
Fuel System	
Fuel type	Regular unleaded petrol
Fuel Tank Capacity	22.7 ltr
Fuel Pump	Pulse type
Fuel Delivery System	Carburettor
Fuel Tank Switch/Shut Off Valve	Yes
Filler Neck Opening	6.7 cm (2.63 in.)
Fuel Pickup	Top Draw
Electrical System	
Ignition	Transistorized-Fly wheel magneto
Hour Meter	Optional
Operator Presence Starting System	Yes
Drive Train	
Transmission	Kanzaki Dual Pump – DUP10C
Wheel motors	Parker Ross
Shift Mechanism	–
Travel Speed	
Forward Speeds	0 – 10.1 km/h (0 – 6.3 mph)
Reverse Speed	0 – 4.3 km/h (0 – 2.7 km/h)
Speed Range	–
Tyres	
Drive wheels	18x8.5x8-4 ply
Caster Wheels	9x3.5
Brakes	Mechanical lever to engage tyres
Dimensions	
Height	96 cm (38 in)
Length with Deck	200 cm (79 in)
Width	132 cm (52 in)
Machine Weight	300 kg (660 lb)
Mower Decks	
48 in. Rear Discharge Deck	1.22 m (48 in)
Material	10 gauge (3.4 mm / 0.135 in)
Blades	Three, 43.1 cm (17.0 in)
Blade Drive	(2) V-belt system, self adj.
Cutting Height	2.5 – 12.7 cm (1 – 4.5 in)
Width	132 cm (52 in)
Warranty	2 years
